Public Budget Hearing Minutes  
June 14, 2021 – 6:00 PM  
Mansfield Community Center

PRESENT: GW Davis Jr, Helen Robertson, Bryan Hale, Blair Northen, Marty Smallwood, Austin Mitchell

OTHERS PRESENT: Mary Ann Davis, Vicki & Scott Cowan

The honorable Mayor GW Davis Jr opened the Public Hearing at 6PM and commented to the attendees that the goal of this year's budget was to address infrastructure issues without increasing taxes or fees. He announced that it was the city's plan to take the rollback tax rate but that we have not seen this year's tax digest. In addition to infrastructure issues, the budget includes part time help during high grass cutting season and for very specialized items such as cleaning the drainage ditches along Hwy 213, etc. The budget also includes an instrument for marking utilities and training. He commented that Councilman Northen and the City Clerk worked very hard on the budget and opened the room up for any comments on the budget.

Mrs. Vicki Cowan, owner of 2913 Hwy 11, asked the difference between the Part Time Help 1099 and Contract Labor 1099 and is the part time help actually needed.

City Clerk answered that the Part Time Help 1099 was to have a very specific line item in the budget and was requested by Councilman Blair Northen but they are basically the same thing. Mayor Davis answered, yes, we do need the part time help, to meet an important maintenance schedule. He added that for what we will be paying this person, we are getting a quality, experienced worker, who is already well trained and self-motivated.

With no further comments, the honorable Mayor GW Davis Jr asked what date a Special Called Meeting for the Budget adoption would work for everyone. It was determined that June 28, 2021 at 7Pm would work.

The meeting adjourned at 6:16PM.
